

Welcome to our Web Site

Tradition. Family. Soft Cheddar.

Welcome to Hamburger lovers' heaven. The Fatted Calf is a St. Louis landmark, and gosh, even though we blush when we say it, the home of the best burger in town. (and online coupons for site members - join, it's Free!)

The hamburger is a true American icon, right up there with Jimmy Dean, the model T, and overpriced health care.

At the heart of it all: A thick, juicy, 1/3 lb. Burger made with Certified Angus Beef® charbroiled to order over an open flame. Condiments include our Original Picadilly relish and Buckingham relish, pickles, onions or grilled onions.
